

Certificate of Compliance for Automatic Onboard Recording Devices
FMCSA Reg. 395.15

Trimble Navigation Ltd
935 Stewart Dr.
Sunnyvale, CA 94085

Devices: Trimble TVG Series
Trimble Android OS based Tablets

Date of Testing: October 25, 2015

This certifies that the designs of the Devices above have been sufficiently tested so as to meet the Department of Transportation requirements of automatic on-board recorders under the conditions the Devices will be used and under the applicable Federal Motor Carrier Safety Administration regulation: 49 CFR Part 395.15

This certificate shall not render Trimble Navigation, Limited liable for any obligations arising from a party's use of the above-referenced Devices. This certification shall not be deemed to apply to or certify as to the use of any parts, equipment, hardware, or devices, other than the specified Devices above.
